Carey: USEPA is in receipt of your telephone message and requests of Friday, 9/9/2016.

Attached please find the draft CERCLA ASAOC and Appendices that were formally issued to PRP Gold Fields Mining, LLC in February 2016.

As per your other request, I am also attaching a WORD version of the e-letter issued to your clients in July 2016, regarding the need for them to supplement the financial information on ability to pay in the above referenced matter.

As to your message concerning issuing a Freedom of Information Act (FOIA) request for information supporting USEPA's August 2016 General Notice Letter to the Estate of Lois Wienen, USEPA will need to review it and discuss it with all relevant parties. You may be seeking documents that are protected under the 5 USC 552b(7) exception regarding matters directly related to ongoing enforcement activities of the Agency.

Please feel free to contact me with any questions or comments by email or at 312/886-6613. Thanks. Tom Turner USEPA, ORC, Region 5 email or 312/886-6613
